

Cranium CoRE

AND

BLOOM'S TAXONOMY

ALIGNMENT

 Creating	 Students are able to create their own games in Cranium CoRE
 Evaluating	 Students must justify their positions. They look at evidence in the text and defend, appraise, judge and support.
 Analyzing	 Students need to compare and contrast possible answers, examine them, differentiate and distinguish.
 Applying	 Students use the information from the text to interpret and apply.
 Understanding	 Students must explain ideas and concepts.
 Remembering	 This is the level where most academic gaming occurs such as Kahoot, Quizlet, etc.
